THE MINISTER OF ENVIRONMENT AND FORESTS (SHRI T.R. BAALU): (a) Forest Department of Delhi Government has intimated that as per the Delhi Tree Preservation Act, 1994 if felling of trees for developmental and other works is absolutely essential, the department concerned obtains necessary permission of the Forest and Wildlife Department. While permitting the felling of such trees, the agencies concerned are asked to plant 10 trees for one felled tree. However, if any case of illegal felling of trees is noticed legal action is taken as per rules.
